

Aviation Weather Made Simple

There are three (3) sessions to this eight hour seminar. October 14th and 16th, from 6:30 pm until 8:30. October 18th from 8:00 am until noon.

This course is FREE, it is also required before enrolling in either my Private Pilot ground school beginning @ noon October 18th or my Instrument Pilot ground school (November date pending). Please bring your laptop or IPAD as we will be going on line for weather information.

Directions: Beneath the large LED sign. 2nd floor classroom.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
